

BACKPACKERS FC

## If Carlsberg did football holidays they'd look a lot like this...

Backpackers FC is a unique sports holiday concept, where you can work, play football and play some more. In 2012 Backpackers FC will play their inaugural season in the Perth Metropolitan Football Competition.

The Backpackers FC team will be entirely made up of international travellers passing through Perth as part of their year out/working holiday or who are travelling to Perth on holiday specifically to play for the club.

The team will live, train and party together while experiencing living life down under in the beautiful city of Perth. The packages we offer include budget accommodation, travel to and from the airport, orientation, all football costs (kit, travel, pitches, league registration, referee costs, transport to games and coaching) and a number of social events and activities throughout the season.

Scheduled activities include surfing lessons, snorkelling at Rottnest Island, 18-holes at a championship quality golf course and much more.

Joining Backpackers FC will undoubtedly be one of the highlights of your life and the Backpackers FC's management team will be on hand at all times to assist you during your time in Perth to make sure everything runs smoothly.

Support services including orientation, assistance finding work, tours, organised 5-a-side and tickets to local sporting events will be provided to ensure you make the most of your time in Perth.
